V/v: Mời viết bài Hội nghị khoa học quốc tế kỷ niệm 60 năm thành lập Viện Khoa học công nghệ xây dựng

Trường Đại học Xây dựng Miền Tây

Viện Khoa học công nghệ xây dựng tổ chức Hội nghị khoa học quốc tế với chủ đề “Khoa học và công nghệ xây dựng hướng tới phát triển bền vững” vào tháng 11 năm 2023. Hội nghị nhằm trao đổi kinh nghiệm và trình bày các kết quả nghiên cứu của các nhà khoa học trong và ngoài nước. Ngoài ra, Hội nghị sẽ là diễn đàn cho các nhà khoa học, chuyên gia, đối tác trao đổi chuyên môn, kinh nghiệm và cũng là cơ hội thúc đẩy hợp tác, phổ biến trong lĩnh vực xây dựng.

Hội nghị được sự bảo trợ của Bộ Xây dựng, đồng tổ chức bởi Viện Tiêu chuẩn Anh Quốc (BSI), Viện Bê tông Hoa Kỳ (ACI) và Đại học Melbourne – Australia.

Viện Khoa học công nghệ xây dựng và Ban Tổ chức Hội nghị khoa học quốc tế trân trọng kính mời ..... Quý Trường ..... tham gia viết bài cho Hội nghị.

Thông tin chi tiết xin xem trong Thông báo số 01 của Hội nghị đính kèm công văn này.

Trân trọng cảm ơn./.

## INVITATION LETTER

*To submit paper at the*

*“International Conference on Construction Science and Technology  
toward Sustainable Development - Celebrating 60 years of IBST”*

Dear:.....*Mien Tay Construction University*.....

First of all, we would like to send you our warmest greetings.

To celebrate the 60th year anniversary of the Vietnam Institute for Building Science and Technology (IBST), we are organizing the “*International Conference on Construction Science and Technology toward Sustainable Development - Celebrating 60 years of IBST*” on November 10th, 2023. The Conference covers a wide range of topics in civil engineering, including Structures and Materials, Surveying, and Geotechnical and Environmental Engineering. The Conference aims to provide a platform for researchers and engineers worldwide to meet and discuss the latest research and technology. It is also an opportunity for participants to exchange ideas and foster closer collaborations.

The Conference is sponsored by the Ministry of Construction, co-organized and sponsored by The British Standards Institution (BSI), the American Concrete Institute (ACI), and the University of Melbourne – Australia.

On behalf of the Organizing Committee, we cordially invite you to submit technical papers and participate in the IBST 2023 International Conference.

For detailed information, please refer to the Conference’s 1st announcement, attached herewith.

Sincerely yours,

Dr. Nguyen Hong Hai

General Director, Vietnam Institute for Building Science and Technology (IBST)

Chairman, International Conference on Construction Science and Technology toward Sustainable Development - Celebrating 60 years of IBST

## INTRODUCTION

In the 65-year history of the Construction Industry in Vietnam, Vietnam Institute for Building Science and Technology (IBST) already has 60 years of growth and development. The Institute has accomplished outstanding achievements to become one of the leading research and consulting units in the Construction Industry.

To celebrate its 60th anniversary, IBST is organizing an International Scientific Conference with the participation of domestic and foreign organizations and scientists to present and exchange research results.

The Conference is sponsored by the Ministry of Construction (MOC), co-organized and sponsored by the American Concrete Institute (ACI), The British Standards Institution (BSI), and the University of Melbourne – Australia.

## CONFERENCE TOPICS

- Structural and Construction Technology; Concrete and Building Materials; Fire Safety; Corrosion and Building Protection; Construction Inspection and Testing
- Environmental, Climate Change and Sustainable Development; Technical Infrastructure and Systems in Buildings; Smart Cities and Energy Efficiency
- Geotechnical Engineering and Construction Surveying; Construction Standards and Regulations.

## CALL FOR PAPER

We would like to invite researchers, professors and lectures, professionals, students, from research and consulting institutions, as well as from domestic and international industrial firms, to submit papers and attend the Conference. The Conference Proceedings will be published with ISBN and DOI number. All the publication and registration fees are waived.
